

<p>Cynllunio/Planning Dosbarth Arthur</p>	<p style="text-align: center;">Dosbarth Arthur Summer Term - Working from Home Week 10 to 12</p> 
<p>Where to find the work and how to complete.</p>	<p style="text-align: center;">Hello Dosbarth Arthur! Well done for all of your hard work this far. Please remember to join the Google Classroom by following the instructions within the email that has been sent in 'Outlook'. If you have any questions, please Email me at - <a href="mailto:rhodri.evans@llangunnor.ysgolccc.cymru">rhodri.evans@llangunnor.ysgolccc.cymru</a> Speakr is also open as usual on : <a href="https://6692173.speakr.co.uk">https://6692173.speakr.co.uk</a></p>
<p>Teithoedd, Llythrennedd a Chyfathrebu Cymraeg</p>	<p>1. Follow a set of instructions through the medium of Welsh to create your own Welsh Rugby Origami Shirt. Go to: <b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Cymraeg -&gt; Week 10 to 12 -&gt; Welsh Rugby Origami</b> to find the instructions, and the template needed to complete the task,</p>
<p>Language, Literacy and Communication</p>	<p>1. Write a book review on 'Greta's Story, The Schoolgirl Who Went on Strike to Save the Planet'. Go to: <b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Literacy -&gt; Week 10 to 12 -&gt; Book review</b> to find further instructions on how to complete this task.</p> <p>2. Complete the worksheet focusing on the different types of Nouns. Go to: <b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Literacy -&gt; Week 10 to 12 -&gt; Grammar</b> to find the worksheet needed to complete the task.</p>
<p>Mathematics and Numeracy  Mathemateg a Rhifedd</p>	<p>1. In '<b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Maths -&gt; Week 10 to 12 -&gt; (Your Year Group)</b>. You will find Maths worksheets to complete. You can use pen and paper to complete your calculations and you can present your work either on HWB, in your Homework book or on lined paper.</p>
<p>Science and Technology  Gwyddoniaeth a Technoleg</p>	<p>1. Investigate in your garden or outside of your home to see how many different insects you can see and identify. Present your information in a table, and then create a graph to compare the different type and number of insects that you have found. Go to: <b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Science and Technology -&gt; Week 10 to 12 -&gt; Investigation</b> to see an example of a recording sheet.</p>
<p>Health and Well-being  Iechyd a Lles</p>	<p>1. Create your own 'Sports Day' at home. Choose 5 different events. These could be events that we have in school, or you can be creative and create your own. Get your family involved and have fun. Organise the competitions and record your results in a table, grid or graph. Enjoy and good luck!</p> <p>2. Check your personal profile on j2e in order to see if it needs adapting or updating before September..</p>
<p>Expressive Arts  Celfyddydau Mynegiannol</p>	<p>1. Design a new book cover for 'Greta's Story, The Schoolgirl Who Went on Strike to Save the Planet'. Remember to make the book cover creative, eye catching and colourful.</p> <p>2. Choose 4 very different pieces of music, fold an A4 paper in half and in half again before opening it out to reveal 4 boxes. Write the title of the music within each box and then draw what you imagine when listening to the pieces.</p>
<p>Humanities Dyniaethau</p>	<p>1. Using the table of sea level recordings used last week, create a graph on Microsoft Excel comparing the rise in sea level in Liverpool and Aberdeen.</p> <p>2. Write an explanation describing what you see as you compare the data. Go to: <b>HWB Classes -&gt; Dosbarth Arthur -&gt; Files -&gt; Humanities -&gt; Week 10 to 12 -&gt; Sea Level</b> to find all of the data that you will need.</p>
